

## Birthday Parties with a Difference

**SENSEable Kids Events** offer tailored birthday parties for children of all ages and mixed age groups. You choose how messy or mess-free you want the party to be and we'll deliver fun and educational activities for your child and his/her guests. We are also happy to incorporate a theme so please let us know what child is mad about! We'll come to your venue or home with all the protective gear needed. For messy play we do, however, advise that children wear appropriate clothing.
