

## Wedding Package and Prices

Would you like to be able to enjoy your wedding day safe in the knowledge that the children at your event are having a blast while also being a part of your special day? Why not let **SENSEable Kids Events** provide plenty of fun and educational activities for your smallest guests. You decide if you would like the kids' fun to be in the main reception room or perhaps in a separate room at your venue.

As well as choosing from our party pack options, we include the following in the standard wedding package: a chill out zone for the children to relax in, a gorgeous tent where they can read books and lie down for a rest, and each child will leave with a 'wedding arts and craft set', and a fab party bag, all at no additional cost.
